

15th March 2023

SUPPORTERS GROUP SUFC 2023-24 SEASON CARD SURVEY - UPDATE

We'd like to thank all supporters that have completed our 2023/24 season ticket survey so far.

Despite several attempts and promises from the club to set a date for discussions with supporters' groups to address our significant concerns about the future of Southend United FC, we still await commitment to a time from Ron Martin.

As such, our stance remains that we urge all supporters to delay their purchase of season cards for next season at the current time. This position will remain until we have the results from the season ticket consultation, and the club chairman treats the situation with the seriousness it demands by engaging with clarity.

Any fans that have yet to complete the survey are strongly encouraged to do so by Friday, 17th March. This is a great way to ensure your voice is heard.

You can participate in the survey by clicking here:
